17 May 1945

Report of SPITZ, George

ATTASEE

In the Villa of Mrs. Jerritza we probably could find hidden treasures, gold, jewelry, etc. This was the house in which Gysling used to live.

PRIEN CHIEMSEE

We might be able to find Standartenfuhrer Dr. KURTZ here. He was Chief Advisor of the Minister for War Production SPEER, an intimate of Hitler and his group and certainly involved in werewolf activities.

LENGRIES

This town is 60 kilometers from Munich and here are hidden a great number of very valuable pictures of a man named ~~Miede~~ Miede. Miede used to be a banker and bought in Amsterdam the Buitenlandsche Bank and the well known firm Goustikker Art Dealers. The latter was one of the biggest Art firms in the world. Miede purchased this firm in 1940 from the Agent of the Firm, who took care of the interests of Mrs. Goodstikker in an orderly fashion. Miede was a man of confidence of Goering, and took care of all his transactions in purhcasing of pictures from the Firm Goodstikker. The last transaction was the famous Ver Merr van Delft. In the above mentioned place we could find Treasures of incredible value which were all ~~stolen~~ in Holland. Miede is known to have left for Spain a year ago.
